29 April 2016

Dear Resident

Underground power cable installation – night works

Further to our notification on 8 April 2016, underground power cable installation will be carried out on Concord Road, Concord from **Monday, 2 May to Friday, 6 May 2016**, weather permitting. This work will be carried between the hours of 9.00 pm and 5.00 am from Monday to Friday.

Work already underway at Queen Lane, Carrington Lane, Concord Lane, Carrington Street, North Strathfield and Sydney Street, Concord will continue until early June 2016.

The work will involve:

• establishing temporary worksites along the route
• removing trees and vegetation
• locating and marking up existing services and utilities
• excavating and trenching the road, footpath or verge using jackhammers, rock breakers, road saws, compaction equipment, lighting tower, trucks, excavators, cranes and other equipment
• installing plastic pipes and pulling and connecting power cables
• backfilling and temporary reinstatement of the work area. Permanent restoration will follow.

If you would like further information about the upcoming work, please contact 1300 660 248 or info@westconnex.com.au.

Notification reference: N022c – night work

ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
