The City of Canada Bay is committed to delivering a modern, multipurpose Community Precinct that provides combination of indoor and outdoor spaces, addressing the foreshore and adjacent open spaces. This facility will provide services and programs for the growing and changing needs of the population.

**What will be delivered**

The overall design aims to deliver a vibrant Precinct offering a variety of activities across the day and a space that is sustainable socially, environmentally and financially. The Connection will provide; spaces for the whole community to undertake a range of activities, incorporating ecological sustainable design principles and a mix of community and income generating uses to assist operating costs, assisting in ensuring the Precinct is financially sustainable.

**Precinct Ethos:**

In order to deliver a world-class, professionally run community precinct, the Connection will operate in the following manner:

- Provide professional, competent and consistent service.
- Provide, modern, clean and well-maintained facilities.
- Reduce barriers to access by automating systems and processes.
- Be timely, honest and transparent in communication.
- Cater to a wide variety of events and programs run by the community, the Council, private individuals / organisations, and not-for-profit groups.
- Drive and maximise Occupancy through promotional activities and yielding.
- Be financially responsible and manage a commercially viable facility.

**Types of Events:**

Some of the events that The Connection is suitable to host include:

- Weddings, Engagement or Birthday Parties.
- Catered Events (ie: Dinners, Social Gathering, Awards Night).
- Graduation Ceremonies / School Speech Nights.
- Church Groups / Event.
- Conferences / Meetings, Trade Shows / Exhibitions, Seminars / Training.
- Cocktail / Networking Events.
- Performance / Rehearsal (Musical / Theatre).
- Health, Fitness & Wellness Program (ie: yoga, karate, Pilates, Dance).
- Education / Tutorial.
- Playgroup / Holiday Care / After-School Care / Parents Club.
- Gallery Exhibitions.
- Programming (ie: robotics, printing, digital learning).

**Programs:**

The Connection will offer a range of programs hosted by the Community, Council, Organizations and Individuals, alongside private activities and events. Including everything from coding and robotics, through to health, fitness and education, and everything in-between; availability for the booking of spaces as well as finding out what’s on and upcoming will be available via the Connection’s website.

**Operating Timings:**

The Connection will operate 7 days per week with the Meeting and Event Spaces available to hire on a demand basis from 6am to Midnight daily. The Learning Space will be open daily from 8am to 10pm with scheduled programing taking place at various times throughout the day. The Restaurant (Bare Witness) will be open from morning through to night offering Breakfast, Lunch and Dinner.
The Learning Space
Dedicated learning facility housing state of the art digital equipment, Creative Studio, Digital Classroom and flexible open community space, featuring hosted programs and events.

- Studio 1 – perfect for classroom style programs and learning.
- Studio 2 – ideal for photography, video and music creation.
- Digital Classroom – for private study in a shared environment.
- Open Space – open air space for informal meetings.
- Digital Gallery – high-tech gallery featuring changing artists.

The Meeting Space
4 small, self-service meeting rooms that can be adapted to a variety of uses or combined to create larger rooms, including a deck / outdoor area and automated access.

- Meeting Room 1 – can be used for medium-sized meetings, events and activity classes.
- Meeting Room 2 or 3 – both rooms (same size) are perfect for small meetings, activities, events, trainings or seminars.
- Activity Room – suited for children’s activities and events.

Bare Witness
A full service all-day dining restaurant open from breakfast through to dinner, featuring outdoor seating, show kitchen, waterviews, and serving locally sourced modern Australian cuisine, craft beer and wine in a relaxed environment.

This is a leased-out Concessionaire, but who will partner with the Venue to provide catering to the other Spaces.

The Event Space
Featuring waterviews and outdoor deck, 2 large multi-purpose / event rooms that can be combined to create a conference or event space that can accommodate over 300 people. Includes a preparation-kitchen and bar area and equipment.

Catering to large events including weddings, social gatherings, church groups, conferences, exhibitions, meetings, seminars and more.

**Please note that rates for the Event Space are available upon request and will be dependent on the type of event, number of guests and other special requirements.**

### Category 1 - Private Organisation / Individual

Any organisation that operates their business with the purpose to generate revenue, and whose event may or may not contribute to that goal of revenue generation, is booked for or on behalf of that organisation.

A group or individual who, whilst their event is has no revenue generation purposes, is holding a private activity (i.e: wedding, reception, dinner, meeting, cocktail, etc.).

### Category 2 - Not-For-Profit Organisation

Any organisation that does not operate in order to derive any profit, personal gain or benefits from its operation and whose purpose is to benefit the community through its activities. This includes charities and community organisations, both of which may aim to raise funds of which are spent appropriately on benefitting the wider community. Must provide Council with a copy of their letter of incorporation or evidence of non-profit status.

All rates are per hour. As fees are already heavily subsidized, no further discounts are available.

The Event Space is a blank canvas upon which you can create the perfect event. Whether it be a Gala Dinner, your Wedding, a business Conference, a large Meeting and beyond; The Event Space is the ideal location.

A brand new, state of the art venue; conveniently located with ample access to public transport, retail and other amenities; waterviews, external deck, park, amphitheatre and overwater pontoon – The Connection is only limited by your ambition.

The Event Space includes all of the expected equipment and facilities of a 5 star event space, including a preparation kitchen, bar, banquet tables & chairs, tableware, meeting equipment, stage and dancefloor.

In-built state of the art AV backed by experienced technicians will ensure that your event is hassle free.

Managed by an experienced team of dedicated individuals and partner suppliers; there is no event or idea to grand that we can’t accomplish.
The Meeting Space

Suitability
The Meeting Space will cater to individuals, groups and organizations who require small to medium sized meeting rooms, either for self-service use or catered by The Connection.

From privately run activities to fully catered and serviced events, The Meeting Space will appeal to both Hirers who only require room hire, through to those who want all the bells and whistles – with the team at The Connection poised to service the entire spectrum.

Accessibility
Via a newly developed online booking portal, Hirers will be able to book, pay and receive access to The Meeting Space at a moments notice.

Service
Whether you run your event youself or require a little more assistance; The Connection is able to meet your needs. A dedicated Venue Management Team partnering with experienced providers in Catering, Service Staff, Audio Visual and more.

Capability
- Ability to divide or combine rooms to cater up to 150 people.
- External deck and enclosed landscaped garden suitable for private events and childrens activities.
- Drop down-projectors, screens, integrated AV systems with independent room operation of lighting and audio.
- Wifi, HDMI, USB, AV and Audio inputs.
- Suite of equipment including banquet tables & chairs, tableware, and meeting equipment.

* Please note that the above listed square metres and capacities are indicative only, and may be subject to confirmation or revision upon completion of construction.
The Learning Space provides a vibrant and welcoming space to gather, study, meet and work. The staff and facilities support learning, creativity, innovation, and community. Operated by City of Canada Bay Libraries, facilities include high speed Wi-Fi, printing, 3D printing, A0 plotter, die cutter, sound recording and rehearsal capabilities, photography and video studio equipment, robotics and electronics. It features large scale artworks by Lu Xinjian in the open space.

Programs & Workshops
Workshops for everyone in 3D printing, CAD design, robotics, circuit bending, coding, photography, digital video, music production and more! Hands-on and with a technology focus, our team of artists, engineers, and community learning experts explore the ideas and technologies that are shaping our world in these workshops. Drop in and take part in one of our Let’s Make! sessions, make a booking to join us in an adult skills workshop, or book your children into our Kids Make! school holidays and after school programs. There’s something for every age and every skill level.

The Digital Gallery
The Digital Gallery is Sydney’s newest exhibition space for video, sound, and digital art. The Digital Gallery is 86sqm and forms the main entry to The Learning Space. It features a fantastic digital art presentation wall with 8 large screen LCD panels, an AV presentation projection wall, and an integrated sound system, with hearing augmentation. Keep an eye on this space as we present work by some of Sydney’s premier media artist in a program curated by dLux Media Arts, alongside work created by our own community.

Facilities for Hire
These spaces are great for workshops, courses and creative production. They feature fully integrated AV systems, high speed wifi.

Studio 1 – 24sqm, this is a flexible creative space that can be configured as a photo studio with backdrops and lighting, or with music rehearsal and recording equipment.

Studio 2 – 24sqm, this space is great for hands-on workshops, meetings, and group sessions.

Digital Classroom – featuring an interactive whiteboard, this space seats up to 20 people in classroom mode.
